Center for Creative Leadership

The Center for Creative Leadership (CCL®) is a top-ranked, global provider of leadership development. By leveraging the power of leadership to drive results that matter most to clients, CCL transforms individual leaders, teams, organizations and society. Our array of cutting-edge solutions is steeped in extensive research and experience gained from working with hundreds of thousands of leaders at all levels.

Our Mission
To advance the understanding, practice and development of leadership for the benefit of society worldwide.

Our Accolades
CCL has consistently been ranked among the world’s Top 10 providers of Executive Education by Bloomberg BusinessWeek and the Financial Times – and remains the only institution among more than 75 in the survey that specializes in leadership development.

Impact to the World
Since 1970, more than 750,000 leaders have attended a CCL program. CCL annually serves more than 30,000 individuals and 2,000 organizations, including more than 80 of the Fortune 100 companies, across the public, private, nonprofit and education sectors.

Engaging the Asia Pacific
CCL has maintained a regional presence in Asia Pacific since the 1970s through the delivery of programs. Now, with well-established offices in Singapore, Gurgaon - India and Shanghai - China, we serve, among others, government bureaus, multinational companies and the regional headquarters of many Fortune 500 businesses in Australia, China, Hong Kong, India, Japan, Malaysia, Singapore and other parts of Asia.

Leadership Solutions
Research is fundamental to CCL. Performing innovative research – and shaping it into products that make you and your organization more effective – has been at the heart of CCL’s work for four decades.

As a result of these ongoing research projects, we can tailor leadership solutions for a wide range of challenges, drawing on our customized organizational expertise, assessment instruments, leadership coaching, publications and online resources and dynamic portfolio of open-enrollment programs.

Whether it is for leaders who are leading self, or leaders who are running a global organization, these programs are designed to support the development of leadership pipeline, enabling growth through driving results that matter to the organizations.
